National Competition on STUDENT AUTONOMOUS UNDERWATER VEHICLE (SAVE) – INDIA-2012

National Institute of Ocean Technology (NIOT) announces a competition for students pursuing engineering degree to visualize and design STUDENT AUTONOMOUS UNDERWATER VEHICLE (SAVE). The focus is on developing innovative underwater water technologies needed for ocean observation.

How to apply

- Register through email auv@niot.res.in using registration form
- Submit application form with design documents on or before 31 December 2011
- Please visit website www.niot.res.in for further more information

Important dates

Announcement	4 November 2011
Registration and Submission of Preliminary Design Report (PDR)	31 December 2011
Announcement of Phase I selected teams	05 January 2012
Review of Conceptual Design Report (CDR) and presentation at NIOT	23 January 2012(tentative)
Announcement of successful teams Phase II	26 January 2012(tentative)
Demonstration of AUV by Student Teams	19 March 2012 (tentative)
Announcement of winning team	19 March 2012 (tentative)
Winning team will have an opportunity to participate in international competition to be held in SAN DIEGO, USA.	July 2012
